A "Visiting Yacht" is defined as a vessel which is neither registered nor resident in New Caledonia. Status as a "Visiting Yacht" is only valid for one month in the marina.

The maximum duration of stay on the visitors pontoon depends on the availability of berths. For long term stays a booking in advance is recommended.

Vessels whose beam exceeds that of their lenght category shall be subject to the rates applicable to the category corresponding to their actual beam.

If there is no life on board for more than a week time (with prior notification to Port Moselle office), the marina fees could be reduced by 402 F CFP/day, 2 412 F CFP/week, 8 045 F CFP/month.
